

Battery Driven Scale

INS-100

***Anytime,
Anywhere.***

Offering a New Level of Convenience

Battery Driven

The INS-100 can be operated by both a rechargeable battery and AC power.

Compact Design

Maximize work space with this highly-functional compact design.

Excellent Cost Performance

Convenient features offer easy operation at an affordable price.

Accuracy to 1/3,000

Precise results are assured with superb 1/3,000 accuracy.

Zero Adjustment

One-touch zero adjustment offers easy operation.

Tare Subtraction

Tare weight can be subtracted with the TARE key.

Add Function

Prices of multiple commodities can be added for the same customer.

Memory Function

Tare and unit price are stored in the memory until new values are keyed in.

Customer Pole Display

The pole display offers a high level of visibility for convenient viewing.
